

PRODUCTION ASSOCIATE

If you're looking for a career in manufacturing and you value safety, teamwork, integrity and success, apply for this position at United Window & Door. Go to www.uwdjobs.com for an application. United Window & Door is opening a new facility in Wayne, NJ.

Overview

United Window & Door Mfg. Inc. is the largest and fastest growing manufacturer of vinyl windows/doors in the USA. Our rapidly growing company is searching for talented people who seek the challenges and excitement of joining an industry leader. We are currently seeking full-time employees for our first & second shifts. Candidates will be an integral part of our company, responsible for the manufacturing and production of our vinyl windows & door products. The production associates are part of an assembly team, performing multiple assembly duties for the construction of our products.
